

## Memorandum of Understanding

Between:

### **The Canadian Society for Organic Urban Land Care (SOUL)**

263 Deschamps ave, Ottawa, ON, K1L5Y7

And

### **Gaia College**

5820 Wilson Avenue, Duncan, BC, V9L 1K4

Gaia College had generously offered financial support for SOUL's work in the form of \$12,000 paid in quarterly installments of \$3000 to SOUL.

The funds received by SOUL through this agreement are to be used by SOUL for:

- The maintenance of the Standard
- The promotion of the adoption of organic land care by the horticultural industry, municipalities, institutions and individuals
- Educational activities related to organic land care

SOUL will provide an annual report to Gaia College outlining the activities that were supported and made possible because of the funding received from Gaia College through this agreement. Either party may terminate this agreement at any time, with or without cause, by giving the other party written notice to terminate.
